LINC Receives Hanley Award: LINC Housing is honored to receive the 2017 Hanley Award for Community Service in Sustainability, celebrating the organization's work to advance healthy and sustainable affordable housing. Check out our feature story. One innovative sustainability project we're celebrating is the completion of new solar photovoltaic systems at five LINC properties by aggregating them as one project to leverage tax credits and available incentive programs as part of a new financing structure. Co-developed with the National Housing Trust, the work impacts 545 low-income households,

reducing resident energy bills, and providing solar installation job training for the community.

Give to Welcome Home: More new supportive housing is on the way! Consider Welcome Home for your holiday or end of year giving. Read Andres' story to learn more about supportive housing and the Welcome Home program in action.

LINC Housing at HomeWalk: LINC was proud to have a team participating in United Way of Greater Los Angeles' 11th Annual HomeWalk on November 18. We value the United Way's partnership in working to end homelessness in our region – and had a blast walking for the cause!
