LINC Co-Hosts Affordable Housing Bus Tour for SPA 8

LINC Housing recently coordinated a tour of affordable and supportive housing for elected and city officials in the [Los Angeles County Service Planning Area 8](#), which includes the South Bay region. As SPA 8 cities consider their communities' housing needs, LINC is here to help local leaders conceptualize affordable apartment buildings as assets that support residents and improve neighborhoods. Tour co-hosts included: South Bay Cities Council of Governments, United Way Greater Los Angeles, LA County Board of Supervisors (2nd and 4th Districts), Los Angeles County Homeless Initiative Office, South Bay Coalition to End Homelessness, Harbor Interfaith Services, PATH, and CSH.

Finishing Touches of "Home:" LINC Staff Creates Mural

When Mosaic Gardens at Pomona, a 46-unit community, opened in late 2017, LINC had the perfect artist in mind to commission the community artwork-- our own LINC Cares Field Supervisor, Clare Ofield. "Clare had previously painted an incredible mural at another LINC property, and we just knew she'd create something the community would love," explained LINC's Project Manager Frances Sarmiento. Inspired by the idea of community building, Clare wanted to explore the concept of home. "I included lots of different types of buildings and represented different types of housing," she said. To celebrate the Pomona community, Clare

also included four local landmarks into the artwork.

Fire Safety at SEASONS at The Hoover

Emergency preparedness is a priority at [SEASONS at The Hoover](#), a restored historic hotel providing affordable housing for low-income seniors in Uptown Whittier. Recently, LINC Cares partnered with the Red Cross to bring their "Sound the Alarm" campaign to our residents. The goal of this program is to increase the community's safety awareness and develop individualized emergency plans. Residents also received a planning packet with personalized emergency exit routes, a safe bag for important documents, a whistle, and a flashlight. Thank you, Red Cross!
