Liberty Village Grand Opening

LINC Housing was excited to celebrate the completion of our first affordable housing community for low-income veterans! Liberty Village brings 38 new apartments to Beaumont, including homes for veterans who have experienced homelessness. Liberty Village features a community garden, exercise equipment, a playground, and ample community spaces for social engagement and resident services provided by LINC Cares and the VA.

LINC Supports Props 1 & 2

LINC joins a broad coalition of organizations supporting both Propositions 1 & 2 to address the devastating impact the lack of affordable and supportive housing has had on our communities.

Prop 1, The Veterans and Affordable Housing Act, builds affordable housing for veterans, working families, and seniors.

Prop 2, No Place Like Home, helps people who are experiencing homelessness and suffering from mental illness get off the streets and into housing and treatment.

Learn more, endorse these initiatives, and spread the word that we can do something about the housing crisis. **Vote YES on BOTH Props 1 & 2 this November!**

Did you (Donate and) Enjoy a Night In?

You may have heard that, this year, instead of hosting a fall gala, LINC asked donors to take A Night In to raise funds for LINC Cares resident programs. On behalf of our residents, thank you, for participating in our "event." It's easy to take for granted the simple joys of a night at home, however, a lot of Californians without homes don't have that luxury. Because of donors like you, LINC residents have a place to stay in, too! You can still donate [here](#).
