

## Affordable Housing in California

Are you looking for an affordable apartment? Some of LINC's properties have available units, and others have ongoing waiting lists. **Please visit the Rental Information page on LINC's website at <http://www.linhousing.org/prop/rental.html>.** Find your county to view the properties in that area. Contact the manager at the specific property to learn more about eligibility requirements, availability, and how to apply for an apartment.
